KEKEC

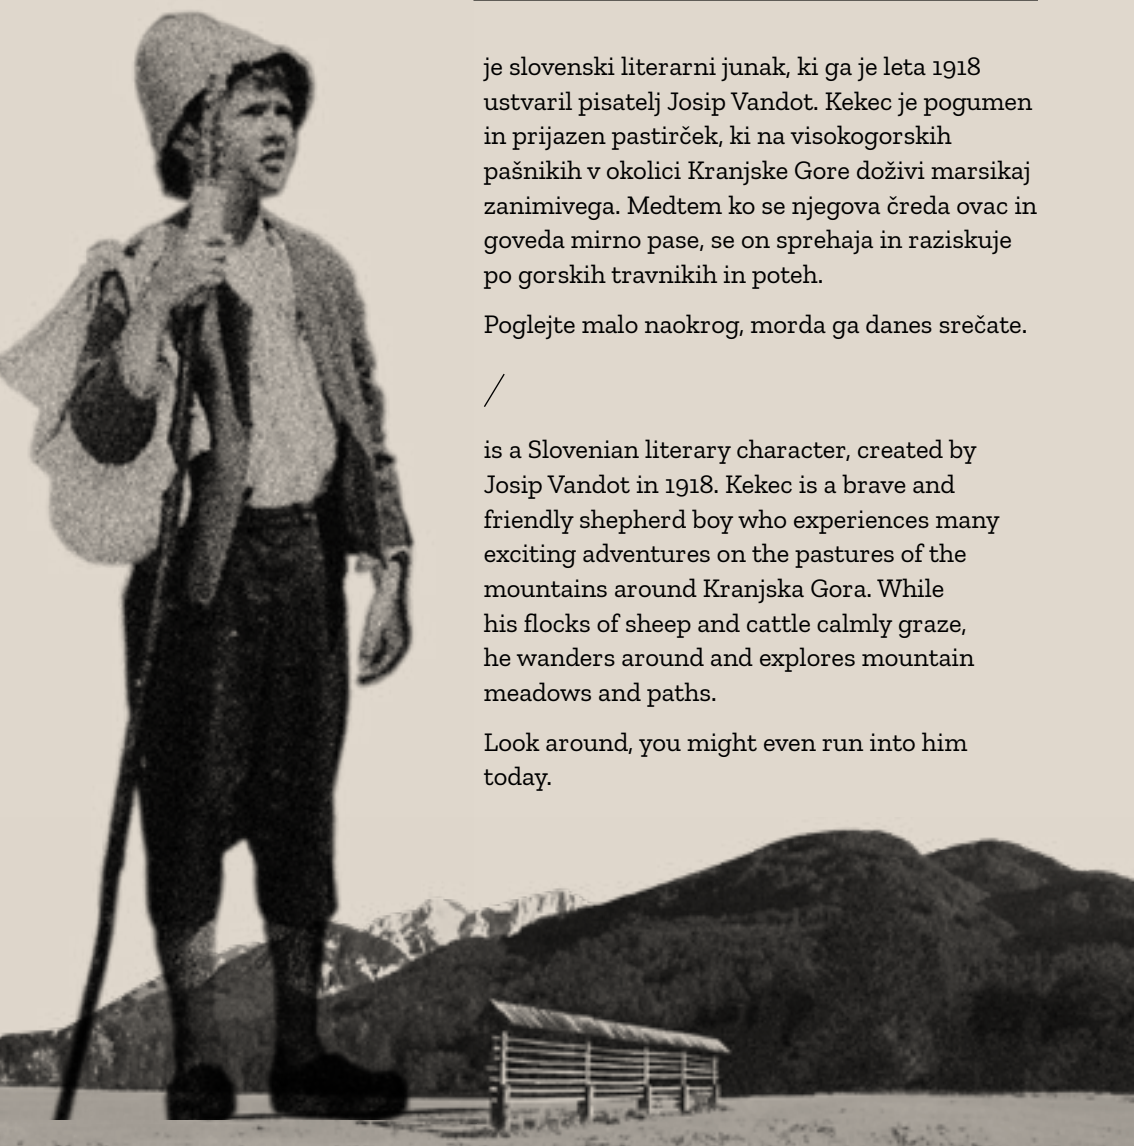

je slovenski literarni junak, ki ga je leta 1918 ustvaril pisatelj Josip Vandot. Kekec je pogumen in prijazen pastirček, ki na visokogorskih pašnikih v okolici Kranjske Gore doživi marsikaj zanimivega. Medtem ko se njegova čreda ovac in goveda mirno pase, se on sprehaja in raziskuje po gorskih travnikih in poteh.

Poglejte malo naokrog, morda ga danes srečate.

/

is a Slovenian literary character, created by Josip Vandot in 1918. Kekec is a brave and friendly shepherd boy who experiences many exciting adventures on the pastures of the mountains around Kranjska Gora. While his flocks of sheep and cattle calmly graze, he wanders around and explores mountain meadows and paths.

Look around, you might even run into him today.

KEKČEVE MESNINE / Kekec's Meat Products

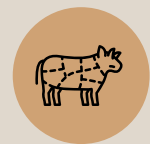

Kekčeve mesnine so plod našega dela in znanja. Narejene so le iz najboljših kosov mesa. Uporabljamo meso slovenskega porekla. Večina svinjine prihaja iz Goriških Brd, kjer živali hranijo z deteljo in bučami. Kekčeve mesnine so dimljene z bukovimi drvi iz gozdov v okolici Kranjske Gore, svoj pečat pa prispeva tudi svež kranjskogorski zrak.

Naši izdelki so 100-% naravni in in ročno izdelani. Tako, kot so to počeli naši dedki in babice - in to se pozna tudi pri okusu.

Kekec's meat products are the result of our own efforts and knowledge. We use only the very best pieces of Slovenian origin meat. Pork mostly comes from the Goriška Brda region, where the pigs are fed clover and pumpkins. Kekec's meat products are smoked using beech tree firewood from the woods around Kranjska Gora while fresh Kranjska Gora air adds the final touch.

All our products are 100 % natural and homemade. Just like our grandparents used to make them – and this is reflected in their superior taste.
