# KEKEC

---

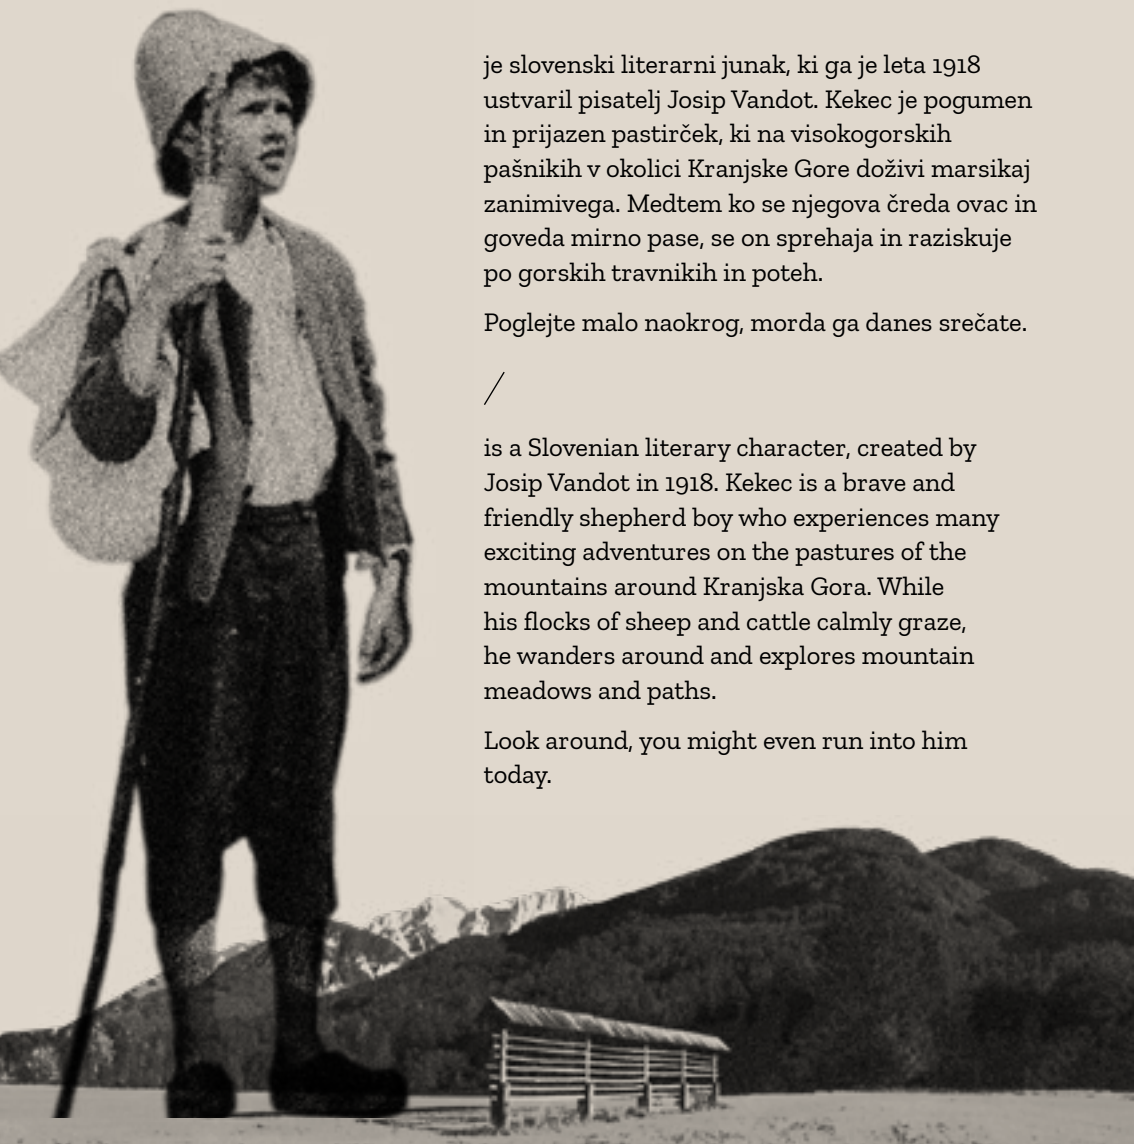

je slovenski literarni junak, ki ga je leta 1918 ustvaril pisatelj Josip Vandot. Kekec je pogumen in prijazen pastirček, ki na visokogorskih pašnikih v okolici Kranjske Gore doživi marsikaj zanimivega. Medtem ko se njegova čreda ovac in goveda mirno pase, se on sprehaja in raziskuje po gorskih travnikih in poteh.

Poglejte malo naokrog, morda ga danes srečate.

/

is a Slovenian literary character, created by Josip Vandot in 1918. Kekec is a brave and friendly shepherd boy who experiences many exciting adventures on the pastures of the mountains around Kranjska Gora. While his flocks of sheep and cattle calmly graze, he wanders around and explores mountain meadows and paths.

Look around, you might even run into him today.
